Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Village of Athens in fiscal year 2024. The entity to receive funding for this project is the Village of Athens, located at 2 1st street Athens, NY 12015. The funding would be used for repair of the wastewater collection and treatment infrastructure which is currently operating over capacity and has major repair needs due to cracked pipes. The project is an appropriate use of taxpayer funds because the current wastewater collection and treatment infrastructure is badly damaged and in need of additional capacity.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marc Molinaro  
Member of Congress
